

2021-2022 School Registration

HOW DO I REGISTER?

Use our online registration form to register and upload your required documents. Our Central Registration team will be processing online registrations throughout July and August. Once your application and documents are submitted, a member of the Central Registration team will contact you by phone to verify your information.

WILL I GET INTO MY CATCHMENT SCHOOL?

Students will normally attend the school located in their catchment area in which their parent or legal guardian resides. Students will be placed at a nearby school if there is no physical, resource or program space available at their catchment school.
