

The Trojan Horse

The classes of division 1,2, and 3 have been working to put together a musical called trojan horse.

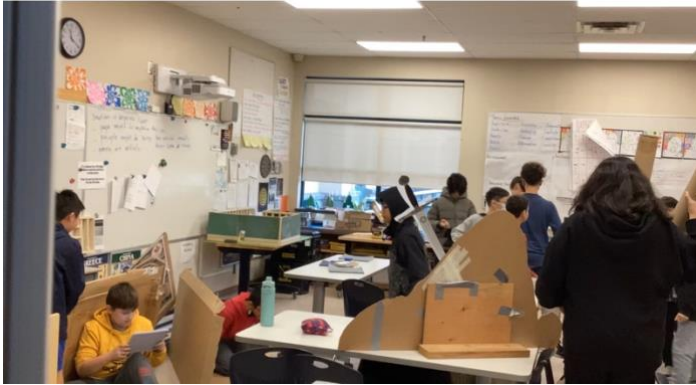

“The Trojan Horse” is a dramatic telling of the story of the war between the Greeks and Trojans. It all started when the Goddess Spite dropped a golden apple at Zeus’s party. The apple read ‘for the fairest’. Aphrodite, Athena, Artemis and Hera all wanted the apple but could not decide who deserved it. So, they went to Paris, Prince of Troy to choose for them. Who will he choose?
