

HAMILTON LIBRARY LEARNING COMMONS WINTER/FEB REPORT

It seems bizarre to write that it's a 'Winter' report when it's so sunny out but technically, it's still winter. I hope all of our Hamilton Hawk families are doing well and set to have a fantastic and relaxing Family Day weekend. 😊

Here are a couple of exciting updates for our Hamilton Library Learning Commons that I'd like to share with our families:

1. Intermediate Board Game Club Sessions in the Library Mondays for Grades 6's & 7's and Wednesdays at Lunch for Grades 4's & 5's

Last term, we started with Gr. 6/7 Board Game sessions on Mondays at lunch and this term, we added a Gr. 4/5 Board Game Club session on Wednesdays at lunch. Thank you to Mr. Tang, our District ADST consultant who helps out on Mondays. Thank you to our Gr. 6/7 leaders, Nate, Taiga and Adam who help out on Wednesdays. Intermediate students come and check it out if you haven't already. If you have any ideas for other games to include our collection, just let Ms. Malin know.

2. Black Excellence Day and Black History Month

We had Black Excellence day in January and this month we are celebrating and learning more about people in our community who are of African descent as February is Black History Month. Come and check out a variety of amazing resources in our collection. Are we missing something? Please let Ms. Malin know.
